WHY NOW & IMPACT

Our current facilities are stretched far beyond their limits. The needs of our community are growing every single day, with families in crisis, children without safe spaces, and neighbors without hope are waiting.

Every delay risks missing divine opportunities that God has placed before us. This is our moment to step out in faith and answer the call.

Capacity at a Critical Point

Our facilities can no longer support the weight of our mission. Space constraints are limiting our ability to serve, gather, and grow. We cannot afford to let another season pass without action, the community is counting on us now.

A Divine Moment of Faith

God is calling DelVal Church to rise to this moment. Over 1,000 families need our expanded ministry. 200+ children need safe spaces. The time for bold, faith-driven action is not tomorrow, it is today. Step forward with us.

Gymnasium & Stage

State-of-the-art gymnasium featuring a performance stage, ideal for worship events, youth programs, community gatherings, and athletic activities that build body and spirit.

Youth Center

A dynamic, dedicated youth center providing safe, inspiring spaces for children and teens, supporting summer programs serving 200+ children and year-round discipleship.

Classrooms & Offices

10–15 versatile classrooms for education, training, and ministry programs, alongside 4–5 administrative offices, equipped to support our growing congregation of 840 members.

Community Kitchen & Pantry

A commercial kitchen, expanded food pantry serving 1,000+ families monthly, a welcoming community room, a bookstore, and vibrant outdoor recreational spaces for all ages.

The Family Life Community Development Center is designed to serve every generation. This state-of-the-art facility will be built for ministry, outreach, and community transformation in Burlington County.
